

FAST ENGINEERING SOLUTIONS

TURNKEY REAL ESTATE & PLOT ENGINEERING HUB

Operating Since 2012 | General Contractor & Land Development Across Pakistan

Head Office: 52, Al Jannat Ul Firdous Society, LDA Avenue 1, Raiwind Road, Lahore

WHAT FAST SERVICES DOES FOR YOUR PLOTS & PROPERTIES

Fast Engineering Solutions (FES) provides an end-to-end digital and on-ground engineering ecosystem for plot owners, developers, and institutional investors. Whether you own a residential, commercial, industrial, or farmhouse plot, our certified engineering teams and modern digital platform handle everything from initial demarcation to turnkey building construction.

01. Laser Plot Demarcation & Soil Testing

Precision computerized boundary verification, total-station land survey, and certified laboratory soil load-bearing analysis before excavation.

02. Boundary Walls & Heavy Security Gates

Reinforced brick/block boundary walling with RCC pillars, damp-proof courses (DPC), and custom fabricated heavy steel security gates.

03. Underground Utilities & Infrastructure

Turnkey underground water supply pipelines, sewerage drainage, RCC manholes, electric conduit trenches, and transformer substations.

04. Town Planning & 3D Architectural Blueprints

Complete architectural layout planning, 3D exterior elevations, structural calculations, and building authority approval assistance.

05. Turnkey House & Plaza Construction

A+ quality grey structure construction, structural steel roofing, premium porcelain/marble flooring, custom woodwork, and full interior finishing.

06. Live App Tracking & Digital Handover

Real-time online status tracker, photo inspection uploads, milestone billing, digital warranty certificates, and 24/7 dedicated support.

PRIME SOCIETIES & ACTIVE DEVELOPMENT SECTORS

- LDA Avenue 1, Lahore (10 Marla & 1 Kanal Residential)
- Al Jannat Ul Firdous Society, Raiwind Road (5 & 10 Marla)
- Bahria Town & DHA Phases 5-9 (1 & 2 Kanal Luxury Villas)
- Sundar Industrial Estate & Multan Road (2 to 10 Acres Industrial)
- Gulberg & Commercial Boulevards (4 to 8 Marla Commercial Plazas)
- Islamabad / Rawalpindi Prime Sectors (Residential & Farmhouses)

DIGITAL APP FEATURES FOR PLOT CLIENTS & BUILDERS

Streamlined 4-Step Process from Instant Booking to Precision On-Site Handover

Step 1: One-Click Online Inquiry & GPS Pinning

Select your plot location, size, and required engineering service (Demarcation, Boundary Wall, Utilities, or Full Turnkey Build). Attach plot documents and location pin directly in the app.

Step 2: Technical Site Audit & Formal Quotation

Our senior civil & electrical engineers conduct an on-ground site survey, verify zoning laws, and issue an itemized, transparent cost estimate with verifiable milestone schedules.

Step 3: Heavy Equipment Mobilization & Construction

FES deploys heavy machinery (mixers, tractors, total stations, compaction rollers) and skilled workforce. Every stage adheres to IEEE, NFPA, and local regulatory building codes.

Step 4: Real-Time Milestone Tracking & Digital Handover

Track live progress percentage on your personalized Customer Portal. Receive weekly photo logs, milestone sign-offs, completion certificates, and long-term structural warranty.

COMPLETE FAST SERVICES ENGINEERING SPECTRUM

Civil & Structural EPC	Multi-Story Grey Structures, Basements, Warehouses, Water Tanks, Steel Sheds
Interior Finishing	Marble/Porcelain Tiling, Custom Carpentry, False Ceilings, Restroom & Kitchen Builds
Electrical & Power	HT/LT Switchgear, Substation Transformers, WAPDA Sanctions, PFI Capacitor Banks
Solar & Net-Metering	Turnkey On-Grid/Hybrid Solar Plants (5kW to 1MW), Tier-1 Modules, Storage Inverters
Genset & Sync Panels	1 kVA to 1000 kVA Diesel/Gas Generators, ATS/AMF Panels, Multi-Genset Auto Load Sharing
Plot Engineering	Laser Demarcation, Boundary Walls, Sewerage Infrastructure, Turnkey Plot Construction

DIRECT PLOT CONSULTATION & INSTANT DISPATCH

Phone / Hotline: +92 300 4545280 | +92 326 4545222

WhatsApp: +92 300 4545280 (Instant 24/7 Response with pre-filled inquiry)
